

PRE-TREATED CORN COB AND CASE POLISH COMBO - IOSSO PRODUCTS PRE-TREATED CORN COB AND CASE POLISH COMBO 3LBS

Offers a Simple Add-and-Clean Compound

Many of today's reloaders work with untreated corn cob tumbling media and add in their own polishing compound, but what if you don't get the balance just right? IOSSO makes it easy with a combination solution that's guaranteed to clean and polish your cases just right: IOSSO Pre-Treated Corn cob and Case Polish Combo. Rather than forcing handloaders to buy media and polishing compound separately and combine both into the right mix, the IOSSO Pre-Treated Corn cob and Case Polish Combo is ready to roll right from the pack, treating and tumbling your cases to a like-new finish with ease. The combination treatment removes all powder fouling, residue, oxidation and tarnishing.

IOSSO PreTreated Corn Cob and Case Polish Combo Safety Instructions

Introduction

Thank you for choosing the IOSSO PreTreated Corn Cob and Case Polish Combo. This product is designed to help you clean and polish your reloading cases effectively. To ensure safe and proper use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the product in a wellventilated area to avoid inhalation of dust or particles.
- Keep the product out of reach of children and pets.
- Do not ingest the product. It is not a food item and should be used solely for its intended purpose.
- Be aware of the potential hazards associated with the use of tumbling media, including dust and chemical exposure.
- Regularly check for any product recalls or safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Wear protective gloves and a dust mask when handling the corn cob media to prevent skin and respiratory irritation.
- Avoid contact with eyes. In case of contact, rinse thoroughly with water and seek medical attention if irritation persists.
- Do not mix the corn cob media with any other substances unless specified by the manufacturer.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Dispose of used media responsibly. Follow local regulations for disposal of nonhazardous waste.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your tumbling machine is clean and free from any previous media or residues.
- Gather all necessary materials, including the IOSSO PreTreated Corn Cob and Case Polish Combo and your reloading cases.

2. Loading the Tumbling Machine:

- Pour the IOSSO PreTreated Corn Cob media into the tumbling machine until it reaches the recommended fill level.
- Add your reloading cases to the media, ensuring they are evenly distributed.

3. Tumbling Process:

- Close the tumbling machine securely according to the manufacturer's instructions.
- Set the timer for the recommended tumbling duration as specified in your tumbling machine's manual or as per your cleaning needs.
- Turn on the machine and allow it to run for the set duration.

4. PostTumbling:

- Once the tumbling process is complete, turn off the machine and carefully open it.
- Use a sieve or similar tool to separate the media from the cleaned cases.

- Inspect the cases for cleanliness and polish. If necessary, repeat the tumbling process.

5. Cleaning Up:

- Dispose of the used corn cob media according to local waste disposal regulations.
- Clean the tumbling machine as per the manufacturer's instructions to maintain its functionality.

Disposal Instructions

- Dispose of the IOSSO PreTreated Corn Cob media in accordance with local regulations for nonhazardous waste.
- Do not dispose of the product in water bodies or public areas.
- Check with local waste management services for specific disposal guidelines.
