

MODULAR BATTERY INSERT PAK FOR CELLVAULT 5M ACCESSORY PACK

MODULAR BATTERY INSERT PAK FOR CELLVAULT-5M Additional modular inserts to run almost any combination of batteries in the CellVault-5M Modular Battery Storage Case. Thyrm makes inserts for AA, AAA, CR123/16650, 18350, 18650, and 1632 batteries. When you combine extra Modular Insert Pak inserts with those that come with the CellVault-5M Modular Battery Storage Case, the possibilities are almost endless. Need to run ten CR123s? You can do that. How about four 18650s and two CR123s? Yup. You can also keep batteries staged outside the CellVault-5M and quickly swap them into the case to match your mission. The CellVault-5M Modular Battery Storage Case is not included when you buy any Insert Pak. Thyrm does not include batteries in any purchased products.

Safety Instruction Guide for MODULAR BATTERY INSERT PAK FOR CELLVAULT 5M

Introduction

Thank you for choosing the MODULAR BATTERY INSERT PAK FOR CELLVAULT 5M. This product is designed to enhance your CellVault5M Modular Battery Storage Case by allowing you to customize battery storage according to your needs. To ensure safe and effective use of this product, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always handle batteries with care to avoid leaks, corrosion, or damage.
- Do not mix different types of batteries (e.g., alkaline, lithium) in the same insert.
- Keep batteries out of reach of children to prevent accidental ingestion or misuse.
- Regularly inspect your batteries and inserts for signs of wear or damage.
- Store batteries in a cool, dry place away from direct sunlight and extreme temperatures.
- Dispose of batteries properly according to local regulations.
- In case of battery leakage, avoid contact with skin and eyes. Clean the area immediately and seek medical attention if necessary.

Specific Safety Precautions for Use

- Ensure that the MODULAR BATTERY INSERT PAK is compatible with your CellVault5M Modular Battery Storage Case.
- Do not exceed the recommended number of batteries for each insert to prevent overheating or damage.
- Avoid using damaged or deformed batteries in the inserts.
- Do not attempt to recharge nonrechargeable batteries.
- If you notice any unusual odors, heat, or swelling from the batteries, discontinue use immediately and dispose of them safely.
- Follow the manufacturer's guidelines for battery installation and removal to prevent injury.

Instructions for Installation and Usage

1. Installation of Modular Inserts

- Open the CellVault5M Modular Battery Storage Case.
- Select the appropriate Modular Battery Insert from the Insert Pak.
- Place the insert into the designated compartment of the CellVault5M, ensuring a snug fit.
- Repeat for any additional inserts as needed.

2. Loading Batteries

- Choose the correct type of battery for each insert (e.g., AA, AAA, CR123).
- Insert the batteries into the insert, ensuring correct polarity (positive and negative ends) as indicated.
- Close the CellVault5M securely after loading batteries.

3. Using the CellVault5M

- When ready to use, open the CellVault5M and remove the required batteries.
- If you need to replace batteries during use, ensure that your hands are dry and free from moisture.

4. Storing Batteries

- Keep any spare batteries stored in a safe location, preferably in their original packaging.
- If you need to stage batteries outside the CellVault5M, ensure they are kept in a secure, dry area.

Disposal Instructions

- Dispose of batteries according to local regulations, as improper disposal can harm the environment.
- Do not throw batteries into household waste.
- Look for designated battery recycling programs in your area to ensure safe disposal.

Contact Information for Further Support

For any questions or concerns about the MODULAR BATTERY INSERT PAK FOR CELLVAULT 5M, please contact the manufacturer directly. Ensure you have the product information ready for reference.

Thank you for your attention to these safety instructions. Enjoy the versatility and convenience of your MODULAR BATTERY INSERT PAK FOR CELLVAULT 5M!
