

FRONT/REAR NIGHT SIGHT SYSTEM FOR REMINGTON 870/11-87

MEPROLIGHT® FRONT/REAR NIGHT SIGHT SYSTEM FOR REMINGTON 870/11-87 Equip your Remington 870 or 11-87 with fast, reliable sighting day or night using the Meprolight ML-34662 Night Sight System. Designed specifically for pump-action and semi-auto Remington platforms, this rugged steel sight set features high-intensity tritium inserts that deliver a bright, instinctive sight picture in low-light, no-light, or transitional environments—without batteries or switches. Each sight is precision-machined for a secure, factory-correct fit and engineered to withstand hard recoil, harsh weather, and demanding duty or field use. Whether for home defense, law enforcement, or rugged hunting conditions, the ML-34662 system provides the confidence of immediate target acquisition when it matters most. NOTE: These items are a new, authentic MEPROLIGHT® products acquired directly from Remington's OEM inventory. This item is guaranteed to be unused and fully functional.

FRONT/REAR NIGHT SIGHT SYSTEM FOR REMINGTON 870/1187 Consumer Safety Instruction Guide

Introduction

Thank you for purchasing the Meprolight Front/Rear Night Sight System for Remington 870/1187. This guide provides essential safety instructions to ensure the safe usage and maintenance of your night sight system. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight system for any signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the sight system only for its intended purpose on Remington 870 or 1187 models.
- Avoid using the sight system in environments that exceed its operational limits (e.g., extreme temperatures or moisture).
- Do not attempt to modify or disassemble the sight system.
- Ensure that the firearm is unloaded before installing or adjusting the sight system.
- Always wear appropriate eye protection when handling firearms.

Instructions for Installation and Usage

1. Installation Instructions:

- Ensure the firearm is unloaded.
- Remove any existing sights from the firearm.
- Align the Meprolight night sights with the mounting points on your Remington 870 or 1187.
- Securely fasten the sights using the provided screws, ensuring a snug fit.
- Check the alignment and adjust as necessary to ensure proper sight picture.

2. Usage Instructions:

- Familiarize yourself with the sight picture in both lowlight and nolight conditions.
- Practice aiming and firing in a safe and controlled environment to gain confidence in using the night sight system.
- Regularly check the tritium inserts for brightness; if they appear dim, consider consulting a professional for replacement.

Disposal Instructions

- Dispose of the night sight system in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or nonfunctional, consult local waste management authorities for proper disposal methods.
